

Saltwood Play and Learning Centre

September 2019

Dear Parents

Welcome back everyone! We hope you all had a great summer break and were able to relax and enjoy being with your children. We would like to extend a very warm welcome to our new children and families that have recently joined us. We hope both you and your children; like us, are looking forward to an exciting and fun filled year at SPLC.

Welcome Back!

EYPP Funding

For some years, schools have been given extra funding for some children who meet the free school meal criteria; this money is used to support children's individual learning. Some children in early years groups may also get this.

The funding is called Early Years Pupil Premium and we may be able to get extra money to spend on your child's learning if you are on certain benefits or they have been in care.

You can complete the form on-line yourself: www.kent.gov.uk/pupilpremium

If you prefer, we could complete the form together (in the office) and it would only take 5 minutes. All you need to do is bring in the name of any benefit you are on.

Please speak to Jessica if you would like any more information.

The money will be used to support your child have all the skills they need to be 'school-ready'!

Your support is much appreciated.

Suncream/Wellies/Hats:

We are hoping to see some sunny days in September (positive thinking) please apply suncream to your child in the morning if it is going to be a sunny day, and provide your child with a hat. If it is cold/raining please remember wellies and coats. Wellies can be kept here on our wellie rack—Remember to name your wellies! Some children prefer slippers as inside shoes, especially in the wetter months when little toes can become cold.

Funding

Thank you to all of the parents who completed their parental declarations. The next funding cycle is in January 2020 so if your child turns 3 between September and December 2019 you will be eligible for 15 hours funding. Please see the link below to see if you are eligible for the 30 hours funding being offered.

<https://www.childcarechoices.gov.uk/>

Unfortunately, as a result of the introduction of 30 hours Free Early Education for 3 and 4 year olds , we are advising parents that we need to charge a voluntary contribution for snacks and other costs in order to maintain the high standards of our nursery. This contribution only applies to funded hours and you will receive a statement via email.

We are collecting

If you have any empty hand soap dispensers at home we are currently collecting these for our art corner.

Spare clothes

Don't forget to pack spare clothes in your child's bag and nappies if required. We do stock some spare clothes for children however they often prefer wearing their own clothes. Remember socks. this is one thing we run out of very quickly. Due to the weather, messy play, drinks and toileting accidents all children need at least one complete change in their bag.

Email

Ensure that Jessica has your correct email address so that you can receive any important updates, news or information.

If you are concerned you are not receiving emails write to Jessica on jessica.splc@outlook.com

Tapestry

We hope you all enjoyed Tapestry last term and we look forward to adding more observations of all the fun things we have planned.

To all the new families once we have your completed permission form we can load you onto the system and you should receive an email to create your username and password. (Check your spam email) Once logged on you will be able to see any observations added by your child's key person as well as upload your own observations.

Holidays

If you are planning a holiday during term time we will need you to complete a holiday form. This is so we can account for your child's absence. Please ask Jessica for a form if needed.

Your child's draw

Each child has a draw within the nursery. This is for them to store their artwork and any special things to them such as toys from home etc. Jessica will also use this draw to put in any letters which need to go home. Please check your child's draw on a regular basis and use it to store anything your child may need such as slippers, and comforters. We are also implementing a self registration system this term where children will have a photo and name which they can add to the SPLC tree on their arrival. You can support us by encouraging your child to add the photo to the tree when they arrive. We will be making these photos for the new children during the first term.

SPLC T-Shirts

We have SPLC T-Shirts available for sale. If you are interested please talk to Jessica and she can arrange prices and sizes. The T-Shirts are the same polo shirts that the staff wear (just a little smaller!)

All about me!

This term we are doing 'All about me' as part of this theme your child's key person will be asking for photos of your family to make a small photo book for each child to store in their draw.

Term Dates

Wednesday 4th September—Friday 18th October	Term 1
Monday 28th October—Wednesday 18th December	Term 2
Tuesday 7th January—Friday 14th February	Term 3
Monday 24th—Wednesday 1st April	Term 4
Tuesday 20th April—Friday 22 May	Term 5
Monday 1st June—Wednesday 22nd July	Term 6

Updated Records

To ensure we still have correct personal information for each child, can you please complete this form and return asap if there are any changes.
